Mental Health and Wellness in the North West: A Shared Vision and Collaborative Mission

The Nursing and Midwifery Board of Ireland (NMBI) will be co-hosting a Summer Series event with Atlantic Technological University, Donegal, Letterkenny Campus on **Thursday, 16 June 2022**.

The panel event will focus on Mental Health Nursing, suicide prevention and interventions. There will be discussions on pioneering new ways of promoting wellness as well as an examination of the role of mental health nurses in the delivery of high-quality care. An overview of career pathways in the North West region will also be presented. The evening event is an opportunity to hear from leading clinical and academic experts in the field of mental health nursing and from NMBI representatives on future plans for education in nursing.

This is an in-person event only and is not being livestreamed.

You can register to attend on [Eventbrite](#).

Date: Thursday, 16 June 2022

Time: 17:00 to 19:00

**Location: Lecture room 1101, ATU Donegal (Letterkenny campus),
Port Road, Letterkenny, Co Donegal, F92 FC93**

The *NMBI Summer Series* is an opportunity for professionals in both academic and clinical fields of expertise to come together to discuss the future for nursing and midwifery, to probe innovations in practice and to examine new ideas.
